

Year 1 Summer 1 half term homework

Choose one box each week to complete so that you can hand in 6 pieces of homework by the end of the half term.

<p><u>English</u> Look at your sight words for this week. How many of these can you include in a short story?</p>	<p><u>Phonics</u> <u>aw, ue, ow, igh, oe, ie we,</u> Draw and name some aliens. Give them alien names that include these sounds.</p>	<p><u>Reading</u> Go to the library with a grown up, can you find a book about plants? Draw your favourite plant and write a fact about it.</p>
<p><u>Art</u> Go for a nature walk with a grown up. Take paper and a crayon or pencil with you. How many different interesting rubbings can you collect?</p>	<p><u>Computing/ PSHE</u> How do we stay safe when we are using a tablet, phone or computer to use the internet? What should you do if you see something you do not like?</p>	<p><u>Science</u> Plant a seed. What do you need to help it grow? What do you think you will need to do to keep your plant alive?</p>
<p><u>Maths</u> Work with an adult at home to practise your timetables. Log on to "Times table Rockstar" or use your times table championship sheet to help you. Can you move up during our times table test this week?</p>	<p><u>Music</u> Use objects found in your house to explore the sounds that they can create. Can you find something that rattles? Can you find something to make a beat? Compose your own piece of music using these items.</p>	<p><u>Mindfulness</u> Sometimes we find things difficult and that makes us worry or feel sad. What can you do to help you feel calm or happy when you are worried or sad?</p>
