

Our topic this term is called **Food Glorious Food!**

The tasks can be completed in any order beginning wherever you like. More than one task can be completed in any week. Please complete **at least 4 tasks by Friday 24<sup>th</sup> May**. You can of course complete more than 3.

Alongside this homework I will send home spellings and times tables to learn for a weekly quiz each Friday. **Reading is a homework for every day**. Please complete reading homework in as many ways as possible. See the 20 ways to have fun reading on the World Book Day site.

# Have fun!

Mrs Sadler

### Useful websites:

**World Book Day** - Even though we have already celebrated World Book Day there are still lots and lots of fun things to do and read on this site. Podcasts, videos, activities and writing opportunities.

**Dojo reading** - sign up and keep a check on your dojo points from home. How many more points until you get the next certificate?

**Times Table Rockstars** - Ask me for your log in if you have lost it.

**Oxford Owls ebooks** - Sign up for free. There are many free ebooks on this site.

<http://www.wordsforlife.org.uk/7-11> Lots of reading fun!

<https://www.oxfordowl.co.uk/for-home/maths/maths-skills-ages-7-9/> Lots of maths fun!

<p>1 When your family go to the shops to buy food ask if you can come to. Remember to behave very well. Look at some of the labels and find out which foods have travelled from another country. Hint: The fruit and vegetables should have some interesting results.</p>	<p>2 Make a poster or brochure page or internet page to advertise visiting Flint's tiny island of Chewsandswallow. How will you describe the weather food? Try and get as many tourists as possible to visit.</p>	<p>3 How many healthy foods can you find in your home? Record them any way that you would like. You could write them like a shopping list or drawer them in a healthy poster. Can you write them in alphabetical order?</p>
<p>4 Pretend that you are in a French restaurant. Make a menu only using French words.</p>	<p>5 This homework is for after the visit from the fire officer. Make a poster showing all the important things that you learnt about fire safety.</p>	<p>6 Write a poem about food. It can be real or funny. Descriptive or rhyming. It's your choice.</p>
<p>7 Pretend you are a restaurant owner. You sell delicious pizzas. Some people like to have just part of a pizza. (A whole one is too much for them.) Draw a menu showing all the fractions and prices of pizza your customers can choose from. eg Cheese and Tomato <math>\frac{1}{2} = \text{£}5</math> <math>\frac{1}{4} = \text{£}2.50</math> <math>\frac{1}{8} = \text{£}1.25</math> Its up to you how much they cost and which fractions you use but you need to draw the pizza too.</p>	<p>8 Copy Andy Warhol and design your own Pop Art picture. Use food like we did at school or choose your own objects eg a vehicle, a plant, an animal. Remember to make the picture really simple and clear. Copy the picture three times. Choose colours that you can mix and match across each picture. Or choose one object and make it pop out with a bright funky background. The object can be its real colours or you can change the colours.</p>	<p>9 Design a healthy packed lunch. Choose how to record it:</p> <ul style="list-style-type: none"> <li>• Actually make your healthy packed lunch and bring it in to show me. You will need to be able to tell me why it is healthy.</li> <li>• Draw it in your homework book.</li> </ul> <p>Use modelling materials to make model food and display them in a pretend lunch box.</p>
<p>10 You run a fruit and veg stall. You've been asked to write a price list to show what you sell. You decide to include an example of a ready made basket of food with 3 fruits and 3 vegetables in it. Use the prices you have chosen to show how much the basket of food would cost.</p>
