

English—This term the children will cover different styles of writing throughout the term. Children will cover poetry, story writing, explanations and non-chronological reports. Children will continue to learn to recall texts with actions and expression, so please ask you child to demonstrate and practice this at home!

Maths—Children will continue to cover the different areas of maths; number, calculations, measures, time and shape just to name a few. Maths will also pop-up in our topic work when reading time-lines of the Anglo-Saxons and Viking! We will also focus on the children's recall of times tables and related division facts, so any extra practice at home will help to speed up those times tables!

Science- This term the children will cover different styles of writing throughout the term. Children will cover poetry, story writing, explanations and non-chronological reports. Children will continue to learn to recall texts with actions and expression, so please ask you child to demonstrate and practice this at home!

Languages—The children are showing-off their skills in developing a new language. The children will be learning lots of new vocabulary and developing their confidence in speaking in French! *Très Bien!*

Year 4 Curriculum Map

THE VICIOUS VIKINGS

WOW DAY!

Building Viking boats and watching how to train your dragon!

History/Geography —Children will begin by exploring the way of life of the Anglo-Saxons in Britain which will then lead into the Viking invasion. The children will learn about the Viking way of life, battles, and religious beliefs. We will also be looking at Viking travel and names of places.

Music—This term the children will have specialist tuition on how to play the ukulele.

RE—Children will be learning different religions by starting-off with learning about the traditions and beliefs of Christians and Muslims.

PE—Class 4S will have PE every Thursday with Cannons and Friday with Miss Scott. Class 4SF will have PE every Thursday with Cannons and Friday with Mrs Fairweather. Please ensure your child has the correct PE kit with them in school everyday.

I.C.T- Children will continue to develop their knowledge of computing this term, whilst using a variety of software. Children will be investigating the use of search engines on the internet and will also be learning how to Scratch, a programming software. And not forgetting the I-pads!

PSHE =As part of our personal, social and health education, children will be learning how our bodies and feelings change through our life-time. Children will also be learning about building relationships and being kind when in different social groups.

Art and D&T

In art this term, children will develop their sculpture skills by making Viking helmets using papier-mâché! Design Technology will be closely linked to our Viking theme this term. The children will learn about natural dyes and will have the chance to make their own Viking tribal wrist bands. This is sure to be a messy time but the children will have a great time dyeing and weaving.
