

Science - This term, the children will learn about space. We will explore the planets in our solar system, including the way in which they orbit the sun. As well as learning about space, the children will also look at electricity;

Maths - In maths, we will be learning different units, including: place value, number operations, fractions, decimals and percentages, statistics, measure, ratio and proportion and geometry. Our work will include investigations and problem solving.

Geography - The children's geography work this term will involve looking at the UK, including its rivers and mountains. Through this, the children will develop their map skills, using the relevant vocabulary.

Literacy - During our literacy work, we will continue with our Talk for Writing work. We will be learning texts and writing in many different genres, including: thriller stories, explanation texts, free verse poetry and portal stories.

Let's Travel.

RE - Over the course of this term, the children will learn about different places of worship and religious symbols.

WOW Day Entry Making a solar system.

WOW Exit Day Beach Day

Art - Our art work this term will involve looking at famous British artists, such as Constable and Turner. The children will develop their sketching skills as well as their ability to use water colours. This work will link to the children's geography work on rivers and mountains.

PSHE - During this term, the children will take part in a number of transitional activities, including SRE.

Computing - The children will continue to follow the "Switched On" computing scheme, becoming developers, cryptographers, artists, web developers and bloggers.

D.T. - This will link with their Science work on electricity. They will be designing and making light-houses.

PE - This will take place twice a week: Wednesday and Thursday. One session will be taught by the class teacher whilst the second will be taught by Chris, the PE coach.

French - The children are learning lots of new vocabulary and developing their confidence in speaking French!

Music - This term, the children will be following a music scheme called Active Music. They will be looking at: instrumental, pitch, singing, rhythm and pulse.
