

English/Science

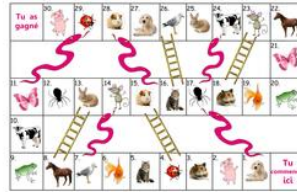

Create a poster about the digestive system.

Challenge: Could you make this an explanation text.

All

Create a board game of your choice e.g. linked to commonwealth games. This could link to Science, Maths, English or even French!
Write a set of instructions on how to play the game.

Science

Write up a science investigation.
Take photos and record the positions of the moon in the sky every day for 2 weeks- What do you notice?

English/Science

Write an information text all about the solar system. You could create a booklet.

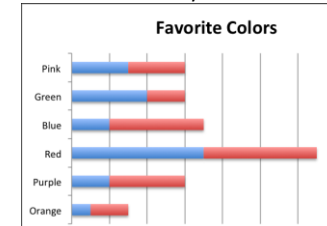

English

Write a descriptive paragraph for the following image. I will be looking for: ISPACED openers, similes, metaphors and personification.

Maths

Create a split bar graph to represent something of your choice e.g. colours of cars down your road each day.

D.T.

Make a model of a mountain and a river. Label on the main features.

English

Write a story about a mission to space. Remember to use fronted adverbials.

D.T.

Draw a picture of a landscape or recreate a Constable or Turner.
