

English

This term the children will cover different styles of writing throughout the term. Children will focus on poetry, story writing and newspaper reports, just to name a few. Children will continue to learn to recall texts with actions and expression, so please ask your child to demonstrate and practice this at home!

Maths

Children will continue to cover the different areas of maths; number, calculations, measures and fractions, just to name a few. Maths will also pop up in our topic work when reading time-lines of the Greeks! We will continue to take part in the 'Times Table Championships' so please help your child to progress by practising with them at home!

Science

In Science this term, children will be learning about food chains, teeth, The children will take part in practical experiments, which I'm sure they will enjoy, while building on their scientific knowledge. This will give children the opportunity to find things out for themselves and evaluate their own investigations.

Languages

The children will be learning how to have simple conversations in French including greetings and talking about themselves.

Year 4 Curriculum Map THE GROOVY GREEKS

WOW DAY!

Researching and designing Greek pots and mosaics!

History/Geography

Children will explore the many different and exciting parts of the Greeks, from food and drink to finding out about the famous Greek myths and legends! They will also be exploring the different areas of Greece and locating it on a map of Europe.

Music

The children will be learning new songs this term.

RE

This term the children will be taught RE by Mrs Allen and will be exploring...

PE

Children will have P.E with Cannons every Wednesday afternoon and with Miss Scott on Thursday afternoon. Please make sure your child has correct PE kit with them everyday and also ensure it is suitable for winter weather!

I.C.T

The children will learn lots about the importance of E-safety and ways to make sure that they are staying safe while being on-line. Please help us to promote the importance of staying safe on-line by speaking to your child about this at home too. They will also be coding and not forgetting using apps on the iPads.

PSHE

As part of our personal, social and health education, children will be learning what makes a good friend. Children will also be learning about how to look after themselves, linked to their science work on food and nutrition and e-safety in ICT.

Art and D&T

In art this term, children will develop their drawing skills by creating mythical monsters, just like the ones that Hercules had to rescue the citizens of Greece from! The children will be designing and making their own Greek shields.
