

Year 3S homework
First half of Spring term 2020
ROCK 'N' ROLL!

The following homework tasks link to our topic for this term: Stone Age, Bronze Age and through to Iron Age. On February 7th Gary from Portals to the Past will be visiting us for an eventful day. He will be dressed as a real stone age man and will spend the day helping the children experience life in stone age times through to iron age times. The children will be invited to dress up too. We will be asking for a £10 contribution towards this wonderful experience. Look out for the full information letter that will be coming to you soon.

The tasks can be completed in any order beginning wherever you like. More than one task can be completed in any week. Please complete at least 5 tasks by Friday 14th February.

Alongside this homework I will send home spellings and times tables to learn for a weekly quiz each Friday. From time to time the children may also have a maths activity linked to our current unit. Please continue to enjoy reading together daily.

Have fun!
Mrs Sadler
