

English

Write the appearance section for an Information Text. This should be based upon the picture below. Remember conjunctions, such as: furthermore, moreover, additionally...

Maths

Using the numbers 1-9, create some subtraction questions, e.g. 3465 - 2134. Answer these using the column method. Create and answer 5 questions in total.

$$\begin{array}{r}
 6712 \\
 \underline{} \\
 56 \\
 \underline{} \\
 16
 \end{array}$$

Science

Split a page in your homework book into 3 and label each column as either: solids, liquids or gases.

In your house, what items can you find that fit into each category?

Try and find at least 5 for each.

French

Create a poster for the four seasons.

This should clearly show the french vocabulary for: Winter, Spring, Summer and Autumn.

I will be looking for posters which are colourful and that have been created carefully.

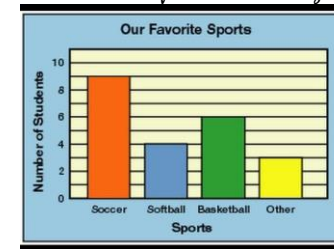

English

Write a descriptive paragraph for the following image. I will be looking for: ISPACED openers, similes, metaphors and personification.

Maths

Complete five different, active activities. For each one, measure your heart rate. Then, show this information in a bar graph...

History

We will be looking at crime and punishment and how this has changed over the years.

Research crime and punishment and what it was like during Medieval times.

You can present this however you like.

English

Write a persuasive leaflet, persuading me to visit the following place:

Art

In art, we will be learning about Edgar Degas.

Create a fact file which clearly shows the following information:

- Date of birth/death
- Place of birth/death
- What he painted and why he painted this.
