Full Closure

Walton on the Naze Primary School can confirm that as of 25/03/20 we made the difficult decision to close our school.

We have made the decision due to pupil numbers and being able to ensure the safety of staff and children.

This decision has not been taken lightly and we would like to reassure parents and carers that we continue to put the wellbeing of our pupils at the forefront.

We have put plans in place to ensure all of our pupils continue to receive education while this closure takes place. You can access information regarding all that has been offered via our Facebook page and our Website.

We anticipate to be closed for the foreseeable future. We will review our situation on a weekly basis.

Please contact admin@walton.essex.sch.uk should you believe that you **fit the criteria** of a critical Key worker and there **is no-one at home** who is able to provide childcare. It is expected that if one parent/ carer does not fit the Critical key worker status, they should be at home with your child.

We will keep you updated in terms of the closure and anticipated date the school will reopen.

I would like to apologise for any inconvenience caused.

Stay safe and take care. We will see you all soon.
