

### English

This term the children will cover different styles of writing throughout the term. Children will focus on poetry, story writing and newspaper reports, just to name a few. Children will continue to learn to recall texts with actions and expression, so please ask you child to demonstrate and practice this at home!

### Maths

Children will continue to cover the different areas of maths; number, calculations, measures and fractions, just to name a few. Maths will also pop-up in our topic work when reading time-lines of the Greeks! We will continue to take part in the 'Times Table Championships' so please help your child to progress by practising with them at home!

### Science

In Science this term, children will be learning about teeth, rocks and fossils and states of matter. The children will take part in practical experiments, which I'm sure they will enjoy, while building on their scientific knowledge. This will give children the opportunity to find things out for themselves and evaluate their own investigations.

### Languages

The children will be learning how to have simple conversations in French including greetings and talking about themselves. They will also recap numbers and colours in French.

# Year 4 Curriculum Map THE GROOVY GREEKS

WOW DAY!

Researching and designing  
Greek pots and mosaics!

### History/Geography

Children will explore the many different and exciting parts of the Greeks, from food and drink to finding out about the famous Greek landmarks and myths and legends! They will also be exploring the different areas of Greece and locating it on a map of Europe.

### PE

Children will have P.E with SCS every Wednesday and with Miss Scott on Thursday. Please make sure your child comes to school in the correct PE kit and also ensure it is suitable for winter weather as we will be outside!

### RE

This term the children will be taught RE by Mrs Smith and will be exploring Islam and Christianity.

### Computing

The children will be using purple mash for computing this term and learning about coding, spreadsheets and online safety. Please help your child learn how to log on to purple mash independently at home.

### PSHE

As part of our personal, social and health education, children will be learning about rights and responsibilities and their family and friends. We will have lots of discussions around these topics. The children also take part in mindfulness activities throughout the week.

### Art and D&T

In art this term, children will develop their drawing skills by creating mythical monsters, just like the ones that Hercules had to rescue the citizens of Greece from! The children will be designing and making their own Greek shields and pots.
