

Year 2 Spring Term

Maths

We will be learning about dividing this half term. Explore ways that your times tables can help you divide i.e $2 \times 5 = 10$
so $10 \div 2 = 5$

Make a list of division calculations and learn them.

Reading

Read a book you have at home or an online EBook who's main character is a superhero. Write your own 5 comprehension questions to ask someone about the book if they were to read it for instance

1. What is the name of the main character?
2. Where is the book set?...

Computing

Safer Internet Day

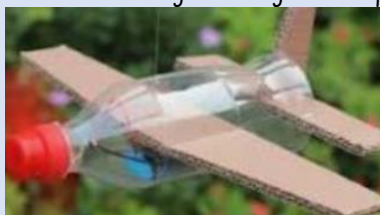

10th February 2026

Read/watch the story Detective Digiduck-
childnet.com/detective-digiduck on Purple Mash.

Write a letter/email on PurpleMash to Wise Owl saying what the story has taught them. This could be from themselves or from Digiduck.

DT

Use any junk model resources you can find to make a form of transport!

English

Write a riddle about an superhero
Make sure you write at least 5 clues. Remember to leave the easiest clue until last!

Music

Learn some transport related songs i.e

I like driving in my car!

Have fun...what songs can you find to sing me when you return?

Year 2 Spring Term

History

Research cars. How have they changed over the years. Make a poster.

Art

Look at artwork that has a form of transport in it. Can you recreate it?

Science

Find out all about the lifecycle of a caterpillar or a frog. Can you make a poster about one?
