Year 3 Homework Autumn Term 2		
1 PSHE - 12th November is Anti-Bullying Week. Design a poster which shows how in Year 3 we do not accept bullying and how we can help those people who need it.	2 Art - Create your own version of an Andy Warhol picture using Christmas design. Make it as bright as possible!	3 Maths - We will be learning about shape before Christmas. Leading up to Christmas. In particular horizontal, vertical, parallel and perpendicular lines. Right angles in shapes. Explain what some of these mean? Include pictures (or drawings) of real-life objects to help.
4 RE - During this half term we will be looking at "What is the Trinity". Can you find out with some research what this is and why its important.	5 English - Choose a book that you have read and create a book review! Tell me what you like and your favourite part. You could even rate it out of 5 stars.	6 French What instructions can you say in French? What instructions would you like to know? Research them and write them down!
7 Science - In science we are learning about plants and their needs. Research this yourself and make a fact sheet all about the new things you have learnt. You could choose one plant that you like!	8 ICT/ maths Use the website ICTgames.com to practise your own choice of maths. There are lots of activities to choose from in geometry, addition, subtraction, multiplication.	9 Geography Pick 5 different European countries, draw their flag and find 5 interesting things about your chosen country! Make it in the form of a poster!
