

Class 5SA

Autumn Term 2nd Half Homework

Please complete at least 6 over the half term.

English

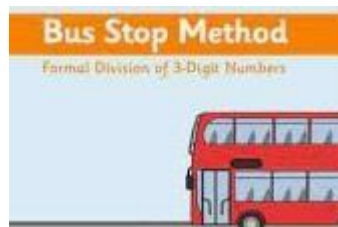

Write a poem about the picture below e.g. describe clouds, sea, lightening. Use personification, metaphors and similes to help describe.

Open the door maybe you'll see...

Maths

Write a set of instructions (and give at least 4 examples) for how to do the bus stop method of division (4 digits divided by 1 digit).

Science

Complete a simple science experiment e.g. Rainbow in a glass. Write up your science experiment formally. See below for information.

<https://www.businessinsider.com/8-awesomely-simple-science-experiments-you-can-do-at-home-2016-7?r=US&IR=T#tornado-in-a-bottle-1>

French

Create a poster of a range of different musical instruments. Label each instrument in French and English.

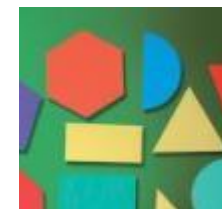

English

Write a diary entry about your experience in a Victorian court being accused of stealing.

Maths

Create a poster with a range of 2D shapes. Include their names and their properties, eg. lines of symmetry, angles, sides, etc.

Geography

This term we will be looking at mapping the world. Find different places on a map and explore how they each celebrate the Christmas period in their own ways. For example – in Japan it is traditional to eat KFC on Christmas Day!

English

Write a discussion text about whether or not school uniform should be banned. Include both sides of the argument.

D.T.

At home, why don't you have a go at designing your own bread e.g. add cheese and tomato. You could even make it and take photos (or bring in some for us to taste?)

Write up what you did.
