

Year 5SA Spring 2 Homework Sheet When a piece is completed please bring into school, I would love to put some up within the classroom!

<u>Geography</u> Create a fact file about one of the biomes which is included within North America. Which animals are in it? What is the climate like? What does each biome provide?	<u>Science</u> Create an experiment on how you can show how forces effect the movement of any item. Think about our lessons on forces and which force works with certain items.	<u>PSHE</u> Create a poster about road safety. 
<u>English</u> Choose your favourite book and create a detailed character description about your character. Put the character's name under a hidden flap on the page and I can work out who you mean from your descriptions! 	<u>English</u> Write a story about going to space. Remember to use all of the skills you have learnt so far within the year!	<u>Math</u> Complete the following questions: 1874x28= 826x21= 917x283= 2735x21= 1384x32= Make sure you show your working out!
<u>French</u> Can you name some beach items which you would be taking to the beach. Create a beach image and label the items in French. 	<u>D&T</u> Create a design which you could use for a small easter design for sewing. Think about what colours are being used in easter and what design you could create.	<u>ICT</u> Create your own home or vehicle on purple mash 2Design and Make. Save it onto your profile and let me know so we can share your wonderful designs with the class.  2Design and Make
