

Year 5 Summer 1 Homework Sheet When a piece is completed, please bring into school. I would love to put some up within the classroom!

<u>Science</u> Describing all of the stages with detail. Identify the life cycle of a butterfly. Include the correct scientific language for the stages! 	<u>Art</u> Create a colourful collage of the UK. Make sure it stands out. Be sure to include the different features of the UK, both human and physical features.	<u>English</u> Persuade me why you don't need any more homework for the rest of the term. 
<u>PSHE</u> Make a list about what makes a good friendship. How can you be a good friend to people and make sure they are happy?	<u>French</u> Draw pictures of different types of weathers and label them in French 	<u>Math</u> Draw angles of: 140 degrees 260 degrees 65 degrees 43 degrees 315 degrees
<u>Computing/ History</u> Create a PowerPoint or a display poster using ICT. You could base this on something we have already learnt about (such as Space) or you could find out and present your research on our new topic of 'Shang Dynasty'.	<u>Science/English</u> Describe what the main differences are of the life cycle of a Bird and a mammal. Be sure to add specific detail about what makes them different. Can you find any similarities as well?	<u>Geography</u> Create a map for somewhere in the UK and use the icons we have learnt about on OS maps!  Try to add a key on your map to make it easy to understand!
