

Year 2 Spring Term 1 2026 Homework

Maths We will be learning about dividing this half term. Explore ways that your times tables can help you divide i.e $2 \times 5 = 10$ so $10 \div 2 = 5$ Make a list of division calculations and learn them.	Reading Read a book you have at home or an online EBook who's main character is aa superhero. Write your own 5 comprehension questions to ask someone about the book if they were to read it for instance 1. What is the name of the main character? 2. Where is the book set?...	Computing Safer Internet Day Read/watch the story Detective Digiduck on Purple Mash. Write a letter/email on PurpleMash to Wise Owl saying what the story has taught them. This could be from themselves or from Digiduck. 
DT Use any junk model resources you can find to make a form of transport! 	English Write a riddle about an superhero Make sure you write at least 5 clues. Remember to leave the easiest clue until last!	Music Learn some transport related songs i.e I like driving in my car! Have fun...what songs can you find to sing me when you return?
History Research cars. How have they changed over the years. Make a poster. 	Art Look at artwork that has a form of transport in it Can you recreate it?	Science Find out all about the lifecycle of a caterpillar or a frog. Make a poster about one.
