

English

Poetry—Linked to the Word Collector book
Flashback Story—Letters from the
Lighthouse.

Explanation—Linked to science and how our
bodies work.

Tale of Fear (suspense)—Linked to Rose
Blanche

Science

Our Animals including Humans topic will
encourage the children to think about how
their bodies work, about the heart,
circulatory system, blood composition and
how we absorb nutrients.

French

We will be re-capping and revising our prior
learning as well as learning the names of body
parts to link with our science lessons.

RE

Our studies will focus on: Peace and Conflict
and how does religion alter during times of
war.

PE

Colchester United will cover a range of
invasion games to develop tactics and game
development skills and we will be swimming
on Mondays.

History

We will be learning about the Second World War on a
global scale and here on the Home Front. Lessons will
include; the impact of The Blitz, evacuation, rationing
and the role of women. We hope to visit The Naze
Tower and find out about how Walton was involved in
the war.

6H Autumn Term Curriculum Map

Walton Drivers

- ❖ Aspiration
- ❖ Independent and Creative Thinking and
Learning
- ❖ Knowledge of the World
- ❖ Citizenship

Music

We will be following the Active Music programme
alongside learning songs from the second world war and
songs that are part of our Young Ambassadors
programme for PSHE.

Art & Design

We will be learning about colour mixing using different
mediums to blend colours. We will be following the
Young Ambassadors workshops.

We will be using the 'make do and mend' philosophy of
World War 2 to create storage solutions for our
classroom using sewing skills.

Maths

Our maths will begin with work on the
number system and the importance of place
value. It will continue with a thorough
development of the 4 main written methods.
We will be completing a mental arithmetic
test each week and well and reasoning and
mastery problems.

Geography

We will be using atlases, maps and the inter-
net to discover more about the countries in-
volved in World War 2. We will look at the
physical and human geography of key
countries involved, focusing on London and
Moscow.

PSHE

This term we are taking part in the Tendring
Young Ambassadors programme which will be
the main part of our PSHE lessons. In
addition to this there will be some sessions
on healthy eating, and we will also be
completing the Crucial Crew virtual
programme.
